

Weekend # _____ Men's Women's

Rector: Date received: _____

HOAC Worker Application

Each team on the weekend is expected to have a mix of viajeros based on church, age, and team experience, and it is hoped that everyone who wants to work, can. Rectors build their teams using submitted applications, however submitting an application does not guarantee that you will work, nor are you guaranteed to serve on the team of your first choice. To best assist the rectors in selecting workers, please complete the form entirely, and submit as early as possible prior to a weekend. Applications do not carry over from one weekend to the next. Your \$60 team fee will be due no later than work weekend, but do not attach to the application.
