

Dear Fellow Select Parents,

Allow me to introduce myself, first and foremost I am known as Emily's mom in the Select Soccer world...but you can call me Donna.

I am a local Corporate Event Planner that has been working in the industry for the last 7 years. I have worked extensively with numerous hotel chains booking small to large groups and negotiating low rates. I believe this experience would be quite beneficial to all of you when it comes time for out-of-town tournaments.

Usually it falls upon one of the team parents to make the calls and start the process. Now you can just click on my link and shoot me an email to let me know what your team needs, when, and where. I am happy to offer this service at no cost to you and your team.... I just ask that the room count be a min of 10.

Please do not hesitate to email or call, as I am here to help! I am currently helping soccer teams for friends in California and it has been a huge time & money saver for them... so please feel free to contact me or forward my info to anyone whose company could use help as well!

GO NORTH KITSAP!!
