Letter from the NKSC President

Dear Visitors,

Welcome to North Kitsap Soccer Club (NKSC) located in the Northwest Puget Sound area. It is our pleasure to have you visit our club, Poulsbo, Kingston and surrounding communities.

This guide has been compiled for our opponents, their parents, relatives and friends as they visit our community. Its information should help inform you about NKSC and the local facilities that are available to you. By providing this information, we hope you have a positive experience during your visit.

The local businesses included in this guide support us either directly or indirectly. We hope that as needs arise, you will help in supporting them as well. As many of you know, it would be difficult to run a successful organization or events without the help of the businesses in the community.

If you have any questions or concerns, please contact your NKSC opponent's coach, manager or me.

Have a great visit and I hope to see you on the pitch!

Yours in soccer,

Aaron Vernik
President
