Starting on row 14, knit all rounds until the desired length of bag is achieved.

Finishing: Starting at the beginning of the round, K2tog on all rounds until you are down to one stitch. Break yarn, use yarn needle to tie in all ends.

I-Cord: Cast on 3 stitches. Knit next row, but at the end, do not turn the work. Instead, slip the stitches back to the beginning of the needle and knit the row again. Repeat this until the i-cord is the desired length, remembering to tug the end occasionally to close the gaps and make the stitches uniform. End by binding off and work in the loose ends.

Thread i-cord through holes in the band at the top of the bag, fill with goodies, and ENJOY!
