The Client is urged to contact a competent specialist if information, identification, or testing of the above is desired.

6. I am **not** required to move personal property, debris, furniture, equipment, carpeting, or like materials which may impede access or limit visibility. **Concealed or latent defects are excluded from the inspection.** Equipment and systems will not be dismantled. The inspection is not intended to be technically exhaustive, nor is it a compliance inspection for codes or regulations.

**7. Neither the inspection nor the inspection report is a warranty, guarantee, or insurance policy**, either expressed or implied, regarding the adequacy, performance, or condition of any inspected system or component. I do not sell home warranties. Neither the inspection nor the report is intended to reflect the value of the subject property, or make any representation as to the advisability or inadvisability of purchase or suitability of use. The inspection and report are only intended to express my professional opinions, based on a visual inspection of accessible portions of structure, systems and items, and existing conditions, **at the time of inspection**.

**8.** In the event that some component of the Subject Property appears to be defective **immediately** after the inspection, and Arundel Home Inspection LLC did not indicate such component in the report, the Client agrees to make no alterations, modifications, or repairs (or to direct or allow others to do so) prior to a re-inspection by Arundel Home Inspection LLC, with the exception of emergency conditions. **9. Arbitration:** Any dispute concerning the interpretation of this agreement or arising from this inspection or report shall be resolved informally between the parties or by arbitration conducted in accordance with the rules of a recognized arbitration association, except that the parties shall select an arbitrator who is familiar with the home inspection industry. The arbitrator shall conduct summary judgment motions and enforce full discovery rights as a court would as provided in civil proceeding by legal code.

**10. Severability:** The Client and I agree that should a Court of Competent Jurisdiction determine and declare that any portion of this contract is void, voidable, or unenforceable, the remaining provisions and portions shall remain in full force and effect.

**11. Expectations:** I am a home inspection **generalist** and not acting as a licensed engineer or expert in any craft or trade. My job is to observe, document, and report conditions found at the Subject Property **on the date of inspection**. *I will never be able to examine every square inch of any house, regardless of the circumstances, and cannot perform a perfect inspection.* I will do my best. I also recommend that the Client conduct his or her own walk-through inspection just before “closing” to ensure that conditions have neither changed nor been altered by any involved parties.

**12.** The written report to be prepared by Arundel Home Inspection LLC shall be considered the final exclusive findings of the Subject Property. The client understands and agrees that they will not rely on any oral statements made by me during the inspection and prior to the issuance of the written report. The client further understands and agrees that I reserve the right to modify the inspection report for a period of forty-eight (48) hours after the inspection report has been delivered to the client.

**13.** This represents the entire agreement between the Client and me/Arundel Home Inspection LLC. No change or modification to this agreement shall be enforceable against either party unless such change or modification is in writing and signed by both parties. This agreement shall be binding and enforceable by the parties, and their heirs, executors, administrators, successors, and assigns. **Once the inspection has been performed the Client is fully obliged to pay the fee whether the transaction goes forward or not, regardless of any “at closing” payment arrangements. My fee is not contingent on completion of a sale or transaction, ever.**

**I have read and I understand this entire “Inspection Agreement / Contract for Services”. I have received the State of Maryland mandated statements and list of the credentials of John N. Dirks Jr.**
