October 24, 2000

Mr. Mike Lishack, General Manager  
Patuxent Greens Country Club  
14415 Greenview Drive  
Laurel, MD 20708

Dear Mr. Lishack:

According to tradition, we submit a record of the contribution of the Senior Men's Golf Association to the financial benefit of Patuxent Greens Country Club. We feel that support of the club by its members is desirable for the mutual benefit to both management and membership.

The total revenue to the club generated by SMGA activities, counting only Wednesdays between April 5 and October 18, 2000, was \$26,036. This consists of revenue from six MISGA Mixers of \$10,668, one special MISGA Tournament of \$3,990, twenty SMGA Wednesday tournaments of \$9,572, and closing day activities of \$1806.

Not included in the figures is revenue paid to the club on days other than Wednesday, by other family members, or for off-season golfing and food activity.

Also not included in the revenue figures are the annual dues of the 57 members of the Senior Men's Golf Association.
