A Long Time !

That's how long we've been around to "provide quality entertainment at affordable prices" to our communities in Porter County, Indiana. Sixty-six years, to be exact – that's 66 years! A brief history is on our website at www.valpoconcerts.com.

As before, a season's subscription with CAV (Concert Assoc. of Valparaiso) also allows attendance at any of the Reciprocity concerts (shown below), giving you considerably more for you dollar!

CAV also recognizes all performance art forms in the term "concert" and strives to include drama, reading, music, and dance. CAV strives for exposure of the art forms to our young as well as satisfaction of the treasured to the experienced.

No other local performing arts organization gives you so much value for your dollar! This season we are offering a family ticket price that can benefit the single parent! See the details in this brochure.

Your subscription and donations allow us to offer a yearly music scholarship to a deserving youth in Porter County. We are a process for education as well as a means for entertainment. Please join us for this season.
