The Thread Line

Welcome

Thank you to everyone that acknowledged my first issue of The Thread Line. Also, thanks to all of you that took advantage of the Inventory Reduction Sale. I always like to stitch out different designs and many of you gave me that opportunity. This issue I will continue with the previous sale and have added a new item for you to consider adding to your wardrobe.

Inventory Reduction Sale

There are still some Port and Company long sleeve twill shirts in the Natural color available in the following sizes: XS(2), S(8), M(4), L(4), XL(10), 2X(1). These shirts normally sell for \$26.00 and will be available for 50% off, that's a steal at only \$13.00.

The fabric is 100% cotton twill. The shirt is generously cut, garment washed for style and is double-needle stitched throughout for strength and durability. Patch pockets, button-down collars, horn-tone buttons and tuck in tails.

Thinking ahead to the Spring weather, I am offering short sleeve denim shirts in the faded blue color for only \$10.00 each. These shirts are available in the following sizes: Adult XS(2), S(2), M(2), L(2), XL(2), 2X(1), Ladies style S(2), M(2), L(2), XL(2)

Once again, embroidery is available for an additional fee.
