### Where is Spring?

Well, old man winter is hanging on as long as possible. Do you believe it? It actually snowed in some of the lower elevations here in Washington state. No April Fools Joke! On the other hand, the flowers and trees are budding and blooming. My itchy eyes are proof of that! Spring is trying real hard to find it's way here.

### Celebrate New Beginnings

Spring is definitely a time of new beginnings. It is often a time of new births. I celebrate several birthdays this time of year.

My third CCI dog (now my forever dog), Brixton, turned 4-years old on March 19th. He truly loves his new pheasant toy. My fourth CCI dog, Belika, turned 3-years old on March 27th and is enjoying her life with her forever family. Her human Mom and Dad, Vanessa and Daric, will be getting married on July 28th this year. Oh, Vanessa's birthday was on March 18th.

April brings several more birthdays. My Mom's birthday is on the 4th. On the 9th, my Pretty Persia turns two years old. She is my fifth CCI dog and is holding steady in advanced training in Santa Rosa, CA. My brother, Mike, celebrates a birthday on the 12th. And last but not least, my sixth CCI pup (hopefully) will be born the end of April. Persia's mom, Shadow, is having her last litter and I look forward to being there to witness these new lives come into the world.

Happy Birthday to all the Spring Babies!!!
