Middle Atlantic Region **APPLICATION PROCESS**

It is the policy of the Middle Atlantic Region that all State organizations should participate in hosting Regional Tournaments. Insofar as possible, Regional Tournaments will rotate among these organizations in a fair and equitable manner with all local leagues having equal access to these tournaments.

Applications to host a Regional Tournament will be accepted any time prior to or during the Spring Regional Meeting for tournaments to be held the following year. An application must contain the recommendation of the League's District and State Commissioners.

The Regional Tournament Site Selection Committee will review and evaluate each tournament application, and will recommend the selected site(s) for ratification to the Regional State Commissioners at a subsequent Workshop Meeting. However, if an application to host a Regional Tournament is not received at the Annual Spring Meeting, the Regional Commissioner and Assistant Regional Commissioner with the assistance of the State Commissioners will be responsible for placement of the tournament as soon as possible without referring the selection back to the Committee.

While it is not mandatory, applicants are strongly encouraged to attend the Spring Regional Meeting to present and support their application; however, in their absence their State Commissioner may represent them. It is also recommended that applicants or representatives be in attendance at the subsequent Workshop Meeting scheduled by the Regional Commissioner at which time the awarding of the following year's Regional Tournaments will be confirmed.

Signing of the Regional Tournament Agreement will take place within approximately thirty (30) days of the tournament awarding and the required deposit of one-half of the tournament fee will be due at that time.

Regional Tournaments are usually held during the latter part of July or early part of August with the actual dates to be confirmed by the respective Assistant Regional Commissioner on or before January 31 of the year of the Tournament.
