How do I place my order?

Dates and Times for our catering service is available on a first come first serve basis. Book the date and time of your event as soon as possible so you are guaranteed your desired time. Number of people and your set menu are not needed until a week before your event.

Is there a minimum number of people I have to order for?

Our packages are for a minimum of 25 people and are to be ordered in increments of five. If your party is less than 25 people you can build a menu off of our ala carte menus. Please feel free to ask us for suggestions.

Will I have to heat the food when I receive it from Bob & Sis'?

Our food is hot and ready to eat as soon as you receive it from us. If you would like us to cool your food for you please let us know at the time of ordering.

Do I get plates and silverware with my order?

All of our packages come with plates, forks, knives, napkins, and serving utensils. However, if you order off of our ala carte menus these items are not included and must be ordered separately.

Do you deliver and is there a charge?

Yes, we deliver and yes there is a delivery charge. The charge is based on the delivery distance.

When do I pay?

Payment is not due until you receive your goods with the exception of funerals and weddings. Payment for a funeral due 2 days prior. Payment for a wedding is due at least 1 week before the event.

Is a deposit required?

A deposit is only required for a wedding or an event of at least 150 people (\$250.00). This deposit is completely refundable if the event is canceled at least two months before the given date.

Do you only accept cash as payment?

We accept cash and Visa, MasterCard, and Discover. Please, no personal checks.

Is tax included in the menu prices?

The prices that you see in our menu do not include tax. Tax in Joliet is 9.25%.

Do you take back food that is not eaten?

Lawfully speaking we can't and morally speaking we won't. The food that you order, receive, and pay for from Bob & Sis' is yours whether you eat it all or not. Besides, if we were to take back food that you didn't eat you may get the idea that the food that we served to you once belonged to someone else. See what we mean?

Can we substitute menu items in the package?

Generally speaking, no, the packages were meant to be served with the choices listed. But we will make every effort to accommodate you.

Does Bob & Sis' stay and serve the food?

If you have us deliver your food we will be glad to set it up for you. However, we do not stay and serve.

Occasionally, prices are subject to change without notice.

Please feel free to contact us via telephone or E-mail for any other questions you may have
