*Fold strauberry in half R&T and stitch straight side forming a cone. Turn R&O. Using doubled thread, knotted at the end, baste around top, leaving needle attached. Pull slightly until strauberry is half closed. Fill tightly with poly-fil and pull basting stitches until top is closed. Knot thread. For top, thread a large eye needle with twine, knotting one end. Push needle thru center from wrong side of strauberry top, make loop and knot. Glue top to strauberry. Enjoy!*
