

BOY SCOUT TROOP 150
ACTIVITY INFORMATION SHEET
Scouting for Food - December 5, 2009

What: This is a Council-wide service project where Scouts collect food in their neighborhoods to be donated to the local food bank for those in need. Troop 150 collects food in the morning and then ends the day with a little fun - this year we will go to the Kroc Center to swim or climb, and eat pizza.
