Who Are We?

We are a Service Organization. Most of our activities concentrate on benefiting our local community, while other activities reach out through support of worldwide projects.

Chatham-Madison Kiwanis was chartered August 7, 1930. Our members live in Chatham Borough, Chatham Township and Madison as well as surrounding towns of Florham Park, Morris Plains and Livingston. More than 60 members raise funds to support good causes while building friendships through weekly breakfast and luncheon meetings. All of our meetings include programs with speakers who are experts in their fields.

Kiwanis International is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

Kiwanis Legacy

- Kiwanis was founded in Detroit, Michigan, on January 21, 1915.
- In the early years, Kiwanis clubs focused on business networking, but even then, members were serving the needs of the poor.
- By 1919, the organization had changed its focus from business to service.
- Kiwanis became an international organization in 1916 with the organization of the Kiwanis Club of Hamilton, Ontario.
- Kiwanis limited its membership to the United States and Canada until 1962 when worldwide expansion was approved.
- Until 1987, Kiwanis was a male-only organization. In that year women were welcomed into the club.
- In 1994, Kiwanis launched its first Worldwide Service Project, a \$75 million campaign in partnership with UNICEF to eliminate iodine deficiency disorders by the year 2000. Kiwanis International Foundation has raised nearly \$100 million to eliminate IDD worldwide.
- The ELIMINATE project was started in 2011 to stamp out maternal and neonatal tetanus.

Kiwanis Today

Kiwanis and its Service Leadership Programs include a membership of more than 600,000 men, women, and youth in nearly 8,000 clubs in 96 nations.
