From al Assad, Iraq—

Everyone here is very grateful and happy to get their gift boxes, they want to write back, one officer said that he has been on 2 deployments, and in for like 7 years, and it was the best gift box that he got.

Tell everyone thank you for me!

From unknown base, Iraq —

Thanks so much for the packages and all the food. We have been able to send many of the packages ahead to forward bases where the Marines don't have as much as we do. They don't receive much because they don't have an address.

Also, guys in my unit all want to live in St. Charles when they complete their service.
