Rules of Camp:

1. All children will arrive by 9:00am. Any early drop offs must be arranged in advance. Departure time is 2:00pm.
2. Bring a lunch.
3. Children will receive a riding lesson each day. English or Western, your choice.
4. Bring a bathing suit or wear under clothing. A short swim to cool off each day is in the last hour spent here. Don't forget a towel.
5. Long pants will be needed for riding. Bring shorts along for the rest of the day.
6. Provide suntan lotion on your child BEFORE they arrive. Reapplication may be necessary once here too.
7. We will have bottled water and no sugar drinks throughout the day. Your child may bring a snack.
8. Make sure your child gets plenty of rest after their day of camp. It is a long day with lots of activity. A good night's sleep is necessary. Curb evening activities.
9. This camp is based on fun and learning. Every child will get individual work and group activity too. These camps will form friendships that will go on for many years.
10. A riding helmet is a must. None will be provided.
11. I am proud of the bond each child has formed with his or her horses they ride and the people they meet here. By developing these bonds they also learn how to trust and learn in future relationships.

Thank you for joining us!
