

Helpful Hint for Campers

 **It is recommended that you bring a small cooler to keep your lunch and drinks cold. Due to hot temperatures, bring water bottles!**

 **Campers should bring bathing suits, towels and shorts daily. Sandals are not permitted, so please bring hard-soled shoes or boots with heels.**

For riding, all campers must wear long pants and boots with a heel
- No Exceptions -

 **Given that all campers will be outside for a large portion of the day, sun screen is strongly recommended.**

 **All students must wear an approved safety helmet while riding and working around horses. C. M. Four Winds Stables does have a limited amount of helmets available to loan students, but we cannot guarantee an appropriate fit for all students.**
