

The Dave Gathering

David Camp
August 8, 1952 - July 8, 2009

David Camp passed away unexpectedly, Thursday, July 8th in Florida, where he had moved to a few years ago to be nearer to his family. A 'progressive' memorial gathering is being planned for his birthday, August 8th, to celebrate his life, exchange stories, and offer our condolences to any loved ones who may be able to attend. You are warmly invited to come and share with us, as we remember our friend.

The gathering will begin Saturday, August 8, 2009, at 4:00 pm at Michael's Dairy, near Mitchell College, on Montauk Ave in New London, CT. This will last until approx 5:00 pm. Dave was especially fond of ice cream, and being his birthday, we wanted to remember him in a way which he himself would have enjoyed....

At 5:00, we will proceed to Dave's old "campsite" at 50 Georgiana Street in New London. Allyn DeVars, the new owner, as well as Dave's friend, has kindly offered to host a small tour /open house of the place Dave knew as 'home'. This gathering will include friends of his former VW community, and host many stories of Dave's life in the 1980's. All are invited to attend the tour to remember Dave in the environment he so loved. After the open house there are two dinner options: **a car talk BBQ hosted by Allyn (please bring a side dish to share and lawn chair), or a former C-singles reunion hosted by Chris and Tom (please bring your own meat, beverages, and a dish to share, as well as a lawn chair).**

At the final frontier all are invited to later gather at Chris (Rosen) and Tom Beaudoin's home in Griswold, Ct at 6:30 pm for a potluck cookout, and "Camp" fire under the stars. Stories at this venue will focus on Dave's life with us from the mid-1990's on. Any photos you may have of Dave from those years, would be appreciated. Musicians, please bring your instruments, and consider sharing your songs with us. Paper products & condiments, will be supplied. All are welcome. We look forward to seeing everyone....

Please RSVP the following people who are in charge of the various gatherings, so we know how many to expect. They will provide you with directions if you need them.
