

EXPO NEWS !!!!!

The Expo will go on as scheduled this year. The dates are Friday April first through Sunday April third. A full schedule and complete show are anticipated and more details will follow. The location will be the Blaine Sports Center. This is very good news.

New Club Officers were chosen at the January meeting. They are as follows - President - Andy Fiskness, Vice President –Chris Sprague, Treasurer –Sid Thomson, Secretary – Ed Saindon, new board member – Ben Renburg.

Andy Fiskness presented a slide show of western fishing and geology during the February meeting. Great show, new stuff to see out west and good background on how our favorite streams came to be in that area.
