### Many Thanks To Our Many Parent Volunteers

The Scouting Program relies a great deal on parents volunteering their time and talents. They participate as Den Leaders, Scout Masters, and Program Volunteers. We would like to thank all of the parents who have made many of our recent programs possible, such as the Blue and Gold Banquet Committee, the Pinewood Derby and Track Committee, the Gold Rush leaders and the Camping Committee. Without willing participants many of these programs would not get off the ground. Thanks again to all who have helped out with these programs. We would also like to offer a special "Thank You" to Norm Moore for dedicating many years to Scouting and most recently as our Pack's Cub master.

### Our Webelos Cross Over and Other Advancements

During last month's Pack Meeting we had the bitter sweet joy of watching our Webelos crossover to the Boy Scout program. The boys grow up so fast, it seems as though they were beginning their scouting activities as Tigers only a short time ago.

We want to wish them the best of luck as they continue on in Boy Scouting. We would also like to congratulate all of the boys who received their Webelos badges last month and are beginning the journey to their cross over. The Webelos also received the Aquanaut requirements when they swam at the Ambler YMCA.

### Cub Scout Trivia

The Cub Scouting colors are blue and gold. They have special meaning, which will help boys see beyond the fun of Cub Scouting to its ultimate goals.

- The blue stands for truth and spirituality, steadfast loyalty, and the sky above.
- The gold stands for warm sunlight, good cheer, and happiness.

### Wolf Den 3

The boys were busy this month getting ready for spring. They began by building baseball hat racks with Home Depot kits. They enjoyed using tools and painting them to make them their own. We wrapped up the month with a salute to Earth Day by watching a cartoon on conservation. The boys were given a task of coming up with five ideas to reuse different household items. There were some very creative answers. We're looking forward to the next month and the excitement of preparing to go to the circus together, as well as trying to figure out what the "Mystery Meeting" on the schedule is. Happy Spring Everyone.

### Tigers Hard At Work

The Tiger Den has been very busy working on their achievements and have almost completed all of the items for the Tiger Badge. They have been working hard on these items and will receive their awards at the May meeting. We will be arranging a "Go See It" for this month. Angus, Julian and Shane all made it to the Pinewood Derby District Finals. Congratulations to Julian for taking 2nd Place. We would also like to extend a warm welcome to our newest member Joshua Arias.

### Wolf Den 2

Wolf Den 2 had a great "Go See It" at the Doylestown Animal Clinic. The boys learned all about proper animal care and keeping pets healthy. Thank you to Mrs. Walkup for her help with that trip and the activity package. The boys also learned about the importance of being safe at home and around the house. They reviewed the importance of keeping away from chemicals and also participated in assembling their own first aid kits. The boys also discussed why we should recycle and looked for ways to reuse some typical household items. Each boy also received a starter planting kit for growing wild flower at home.

The May Newsletter Deadline will be Monday, May 12th. Please provide Jason Hamer with a little news on upcoming events and your Den's activities. Send all information to [hamerfamily@comcast.net](mailto:hamerfamily@comcast.net).
