- Objective** • To obtain a position that will enable me to utilize my strong organizational skills, educational background, and creativity in the development of world-wide-web, print, and interactive media design.

- Education** • Purdue University, MA in Fine Arts, concentration in 3D modeling & animation. May 2003
• Purdue University, BA in Fine Arts, concentrations in drawing & design. May 1992
• Purdue University, AAS in Technical Graphics. May 1992

- Experience** • Director, Multimedia Resources Center, School of Pharmacy and Pharmaceutical Sciences, Purdue University, July 1996 to June 2009
- Design and develop interactive instructional media for publication on CD-ROM and the internet
 - Create research-based scientific illustrations and animations for publication
 - Implement and instruct training workshops to assist faculty, staff, and students in the preparation and creation of presentations and print publications.
 - Graphic design and publication of brochures, booklets, and DVDs for recruitment and School related promotional events
 - Identify and pursue research funding opportunities for the development of instructional media
 - Manage student workers in the creation of computer-based instructional media
 - Instruct Pharm.D. and Nursing students in the usage of multimedia equipment
 - Chair, Multimedia Recruitment Materials Task Force (2007-2009)
 - Design, develop, and manage the School of Pharmacy and Pharmacal Sciences multimedia instructional computer facility (1998-2005)
 - Design and manage School of Pharmacy world-wide-web presence (1996-1999)
- Adjunct Faculty, The Art Institute of Pittsburgh/Online. June 2005 to Dec. 2007
- Instruct 5.5 week online courses: Illustration, Digital Illustration and Digital Image Manipulation
 - Evaluate student work in course related projects and assignments
 - Advise students in professional career development
- Arts Director " ...ad infinitum: Alternative Fiction Magazine," Oct. 1995 to Dec. 2001
- Design and develop graphical interface for web-based publication
 - Critique submitted imagery for web-based publication
 - Edit articles related to fan-based fiction, movie reviews, and current events
- Instructor, McAllister Recreation Center, Lafayette Indiana, April 1993 to Nov. 1993
- Develop broad-range drawing and painting courses for students of all age groups
 - Instruct 8 week drawing and painting courses
- Multimedia Instructional Designer, The Department of Medicinal Chemistry and Pharmacognosy, Purdue University, July 1992 to July 1996
- Design and develop interactive instructional media for publication on CD-ROM and the internet
 - Design, develop, and manage School of Pharmacy world-wide-web presence
 - Instruct training workshops on multimedia application development
 - Identify research funding opportunities for instructional media development
