

# Tips for Team Pot Luck Dinner

## **Hosts for Dinners**

Fill the cooler for approx. 75 boys. In addition please prepare a flyer, which includes your address, phone number and directions to your home, to be distributed at practice on the day of the dinner. Team will supply paper plates, cups, napkins, plastic flatware and Gatorade packs.

Buffet style works well. The boys will arrive after practice (about 5:30pm). Big plastic bags help promote the boys to clean up. Boys usually eat and run, so most are gone by 6:30pm.

## **Helpers**

Help the host and contact her to see when to arrive. A helper typically is also a food provider.

## **Food Providers**

Contact the host to see when you can drop off food. Send a serving utensil and remind son to bring utensil and container home.

## **Entrees**

Pasta dishes, pizza, subs and chicken potpies are favorites. Feel free to cook what works for you. Bring enough to serve 16 people.

## **Salads**

Bring salad to serve 12 people. Ready to mix Caesar salad or any fruit salad is great.

## **Bread**

French bread, rolls, and ready to eat pre cut garlic bread are popular. Bring enough to serve 30 people, plus margarine or butter.

## **Dessert**

Cookies, brownies and bars, home made or from the store. Bring about 3 dozens.
