

Step up to a FULL-SERVICE intranet!

Tap the full power of the intranet with a system you will never outgrow. Upgrade your network today with IntranetWare™ from Novell, the networking leader.

According to IDC, Novell's technology can lower your cost of ownership by reducing the costs of staffing, time, and travel.

IntranetWare offers advanced file and print, and the best directory,

security, and Web server you can buy. What's

more, it supports all the Internet open standards, so you can build a best-of-breed solution with the highest possible performance.

ROCK THE NET™
