Then a NIBA Membership is for you!

The **New Inlet Boating Association** has openings for membership. **NIBA** is a group of boaters who meet each month for fellowship and an informative program. Recent programs have included expert speakers on fishing techniques for bass, blues, cod, and sharks. Other topics have been marine electronics, boat maintenance, weather, the Stellwagen Sanctuary, etc.

Annual dues are \$25 which includes participation in season long bass and blue fish tournaments - \$700 in prize money. As a **NIBA** member you can belong to Boat/US for half the normal fee. Local merchants frequently give discounts to **NIBA** members as well. A chartered Spring ground fishing trip and a mid-summer weekend fishing tournament are annual events.

Meetings are held on the first Thursday of every month at the Marshfield Yacht Club. For more information call Dick Darr at 781-826-3262.
