

## WOMEN'S MINISTRY COMMENTS

Our congregation has truly been blessed by Veronica, especially our women's ministry. I can say with certainty GOD has gifted her in administration and teaching. I have had the pleasure of sharing a vision with her and watch her take that vision, nurture it and bring it to fruition. She is dedicated, thorough, and completely committed. What ever she does for the Lord, she does it with joy and to give Him honor. I am glad GOD led her to our congregation!

Veronica has the gift of encouraging and uplifting any woman who is experiencing pain in her life. I was truly blessed as I sat and listened to her speak during the workshop. She confirmed to me that no one is perfect and God is not looking for perfection but willing workers. I feel every woman would benefit from her workshop.

Veronica brings with her a sincere love and zeal for Christ, exemplified by many years of dedicated service in God's Kingdom. She blesses you with her creative ability to present God's Word in an interesting manner, which allows people to connect God to their everyday lives. Her approach to all projects is one of excellence. She has truly been a blessing in my life and I'm sure many others.

### **Tracey Pruitt, Christian Education Facilitator**

I first listened to Veronica teach when she did Becoming a Vessel God Can Use and the information she brought forth was excellent. I feel she has a passion for the Word of God and it is felt when she is teaching. When attending her Bible Study class, you feel a connection between her, God and yourself. She is a woman of God that can help you change the way you look at things and she also encourages you to have a deeper, more focused relationship with God.

### Alliance Ministry Vision Statement

Equipping women to develop a closer relationship with Christ through inspirational teaching.

### Veronica E. Williams

Veronica E. Williams was born February 5, in Compton, California. While growing up in Compton, she and her family attended Double Rock Baptist Church. She is the youngest of 6 sisters and 4 brothers. Following graduation from Compton High in 1984, Sister Williams attended University of California Berkley and the University of Phoenix where she received her Bachelors of Science Degree in Business Administration. She is currently working at The Hearing and Speech Agency in Baltimore, Maryland.

Veronica's first exposure to Women's ministry began at Double Rock as a speaker for Women's Day events. She has participated and taught numerous Women's bible studies, attended various Women's ministry conferences, and helped plan Women's Day Programs and Celebrations. Most notably was her involvement in a Titus II Women's Bible Study, which involved older women teaching younger women how to be Godly women. But, what allows Veronica to really connect with other women is the journey she's traveled. Like most women, she has survived running her race and becoming victorious. She's also had her share of sorrow and loss. She knows what it feels like to lose a close friend to cancer, as well as other personal losses along the way. The spiritual gifts that she operates in the most are encourager and teacher. Her ministry motto is "I am not whole unless my sister is whole." She is currently involved in Women's Ministry at First Christian Community Church in Annapolis, Maryland under the leadership of Pastor Karen V. Johnson.

### **Dear Pastor/Organizational Leader:**

Alliance Ministries has been ordained by God to go to other churches and equip women through discipleship training. Our purpose is to encourage women by providing instruction to change their lives from within.

The Lord placed a burning desire in our heart to network with area Women's Ministries and provide workshops on various topics to help them accomplish the calling that is on their life. We strongly believe the women will discover a new confidence and significance by learning to depend on God alone.

Based on this calling, we humbly request that you consider allowing Alliance Ministries to come and bless the Women in your church.

We firmly believe that this ministry will be successful because we also have the blessing of our Pastor and the entire church body. We understand that only sent ones can fulfill the Great Commission and overcome impossible odds that stand in the way of our mission to empower God's women. We believe that we have been gifted by God to fulfill this purpose and calling.

We further believe that we are only part of a larger generation of pioneers called to make a difference in the lives of women. We want to help expand and break through barriers that would keep our women from becoming the vessel God can use.

Thank you again, for your considering Alliance Ministries to come and help fulfill your Women's Ministry vision.
