# GO TO SLEEP

Go to sleep, go to sleep, sleep, sleep.  
Go to sleep, little one.

Close your eyes and dream tender dreams,  
For you are guarded, protected by my love.

Now go to sleep, go to sleep, sleep, sleep.  
Go to sleep, little one.

Close your eyes and dream tender dreams,  
For you are guarded, protected by my love.

Long have I waited, I've waited for you.  
(Go to sleep.)

Years I spent hoping and praying for you.  
(Go to sleep.)

Now that I have you right here by my side,  
I will not ever, no, never let you go.

Now go to sleep, go to sleep, sleep, sleep ...

 Great big ears and the long trunk swinging  
 Stuffing up the peanuts with a long trunk swinging  
 And we can stay all day
