We invite our parish community to reflect on the *Question of the Week*. It is our hope that this question will enable the message of the Sunday readings to come alive and help you live that message during the week:

Adults: “Actions speak louder than words.” What do your actions say to your children, your spouse, your friends and co-workers about how a Christian lives?

Children: Name 3 things you can do to show love or respect for someone.

Tuesday is inauguration day. We are lucky indeed to live in a country that can change administrations in a peaceful manner. Here is a prayer from Our Sunday visitor for our nation.

Gracious and loving God, we come to you in humble prayer for the United States of America.

Bless our President. Give him wisdom and strength to serve the American people and lead our country in ways that are pleasing to you.

Bless our Congress. Instill in them knowledge and understanding to enact laws that protect the sanctity of life—from the unborn to the elderly; and promote the good of all people.

Bless the people of the United States. Make us aware of our responsibility as citizens to uphold the principles of life, liberty, justice, and equality.

Send your Holy Spirit upon our beloved country. Make us people of faith in time of uncertainty. Make us people of hope in times of trouble. Make us people of compassion with those who are less fortunate. Make us people of peace in our homes, our communities, our country, and our world.

We ask this through Jesus Christ, our Lord and Savior. Amen.
