Hello Kiwanian !\*FIRST\_NAME\*!

## NEWS FLASH...New Baby

Do you remember the picture in the Indianapolis Star Newspaper of the first baby of the new year in the city? The baby was born to Kent and Angela Hatcher. That makes our own Pat & Patty Hatcher the proud grandparents. Congratulations!

## Upcoming Projects & Functions

The Indiana District **Mid Year Conference** is fast approaching. February 6 - 8 at the Sheraton Indianapolis North Hotel. Make plans to attend any functions that you can.

Its time to begin planning for the Annual **Easter Egg Hunt** at Holland Park. Easter is April 11, so Saturday the 10th is the big day. We'll again have thousands of eggs to stuff, so keep your calendars open to help as much as you can at our regular meetings during the proceeding few weeks.

## Completed Functions

### Integrative Health..is this the new face of family medicine?

On Jan 19, James Nicolai, MD spoke about this different type of health care and how the doctor and patient can work together for better wellness, not just treating symptoms. Will it catch on? Will market forces allow it?

## Indiana District Governor Visits Sycamore South Division.....

Friday January 23, Governor Steve Page and his wife honored our Division with their visit to Noblesville. Also shown here in the center, is Governor Elect Donovan Peoples. Attendees from our club were Daphanie, Mike Parante and his Wife Jane, along with Michael and Pauline. Club membership was a big topic of discussion. But Daphanie already has Judy and Ralph, our Membership Committee, working hard on plans to bring in new members.

And speaking of that, we recently received another request for information about our Club through our web site!

## From the Spiritual Aims Committee
