World

Kiwanis Club of Fishers Station

NEWS for June 7, 2004

Hello Kiwanian

Its time for **New Officers**. As per Kiwanis International rules, our officers for the new year beginning Oct 1 must be chosen so they can begin training and preparations for leading the club. Graham Ashley will be moving to President, Judy Levine will be assuming the Secretary job, giving Mike Parente a break. Pauline will continue as the Treasurer. However **we are without a VP at this time**. We need someone to step up, would anyone be willing to take the job with the understanding that they would NOT be the president the following year? Although the vice president often moves up the next year, it is not cast in stone and there are several times that this has not happened in our club history. How 'bout it folks?

Upcoming Projects & Functions

Fishers Summer Concert Series begins June 8 on the Town Hall Lawn. Our club will park cars and recruit new members at the concert. Ten volunteers are needed! Be there at 6:15 pm.

Fishers Freedom Festival, June 26th & 27th. We will have a booth selling food items again this year. The money raised will supplement our Golf Outing fund raising. Our budget is a little short this year, so lets all help staff the booth.

July 19 has been selected as **"bring a guest night."** Our program will be Curt Brantingham of the Indianapolis Zoological Society. Judy and Ralph are hard at work on soliciting new members to our club. They each have 1 member so far, but need EVERYONE'S help. We will be mailing letters of invitations during the first week of July. We need 4 names from every member. Lets all chip in, if we get enough names we're sure to get some new faces. Email them to me at the link below, mail to my home or call me at 842-2393 with your names.

Its **GOLF Time** again. We'll follow the same fun twosome format as last year and need lots of players and hole sponsors. We've got a lot of funds to raise! Sunday, July 18th. For a sponsor or participant registration form visit our web site or see Steve, Ralph or Pauline.

Completed Functions....Bike Rodeo

It was a sunny day, warm, inviting and **pretty darn windy!** But it was fun, and several kids completed the training course. Thanks to all who helped.
