

A black and white photograph of three whippets running on a track. The dog in the center is the most prominent, wearing a dark racing suit with a white collar and a white saddle cloth. The dog on the left is also wearing a white saddle cloth. The dog on the right is wearing a white saddle cloth and a wire mesh muzzle. The background is a blurred track surface.

Winning.

It runs in the family.

Ringdove Zealot RCH ORC

His was the litter that race enthusiasts everywhere waited for ... the incomparable Zeeno (Zeeno SRCH-III SORC, two time NAWRA National Champion, three time NAWRA National Meet winner, and two time NOTRA National Meet winner) and the phenomenal Sara (Ringdove Midnight Soiree RCH SORC, multi-meet winner). Dayton's success so far shows he's working hard to live up to his parents' legacy; at only sixteen months of age, he is already dual-titled, a multi-meet winner in NAWRA, a multi-meet winner in NOTRA, and the second youngest dog ever in the NAWRA Top Ten.

Dayton was bred by Tony & Helena James of Ringdove Whippets and is owned by Wayde & Jennifer Jensen of Fair Oaks, California.
