

ASK QUESTIONS DEMAND ANSWERS

Our Future Depends On It

September 11th, 2001 was a day that changed the world. The tragic events of that day have shaped legislation that take away our civil liberties. It has been used to justify two pre-emptive invasions in Afghanistan and Iraq. It has been used to make billions of dollars for the corporate elite.

As citizens of these United States, it is our duty to question the actions of our Government.

The victims of 9/11, along with millions of people, have been seeking truth and accountability regarding the events of that day to no avail. The corporate owned media has silenced dissent in this country, and our elected officials in Washington D.C. have ignored us to the best of their ability.

Some relevant questions that need to be answered are:

- 1) Why did the Bush Administration ask Tom Daschle to “limit the scope” of the Congressional Inquiry into 9/11? *[CNN, 1/29/2002]*
- 2) Why did the Bush Administration become the families’ “biggest adversary” when it came to the creation of a so-called “Independent” 9/11 Commission? *[Patty Casazza, Jersey Girl]*
- 3) Why did Bush and Cheney insist on testifying before the 9/11 Commission out of public view, not under oath, and not without each other? *[CNN, 4/29/2004]*
- 4) Why did the Bush Administration limit both the funding, and the time for the 9/11 Commission, limiting their ability to do their job? *[TIME, 3/26/2003]*
- 5) Where was NORAD on the day of 9/11, and why did the 9/11 Commission debate “referring the matter to the Justice Department for criminal investigation?” *[Washington Post, 8/2/2006]*
- 6) Why did the 9/11 Commission omit from their report any mention of World Trade Center 7, a 47 story building that collapsed that day without being hit by a commercial airliner?
- 7) Why was only one Wargame of the 7 taking place on 9/11 mentioned in a footnote in the back of the 9/11 Report?
- 8) Why are “whistleblowers” like Sibel Edmonds, Robert Wright, and Lt. Col. Anthony Shaffer being “gagged”, and ignored by the media, and our elected officials?
- 9) Why were only 30% of the questions put forward by the 9/11 Family Steering Committee answered by the 9/11 Commission? Don't they of **ALL** people deserve to know the truth?

We need your help to set things right in this country, and in this world. If you feel this cause is important, please visit our website, or contact us at info@pa911visibility.com.

We deserve to know the truth. Anything less is unacceptable.
