

ANOTHER SUSPECT FOR THE CRIME OF 9/11

DONALD RUMSFELD

SOME OF THE REASONS FOR SUSPICION

1. Belonged to an organization called the Project For A New American Century that recognized a “process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event—like a new Pearl Harbor.”
2. A document entitled, "Aircraft Piracy (Hijacking) and Destruction of Derelict Airborne Objects" states that "DOD assistance" in the event of a hijacking must be forwarded to the "secretary of defense for approval." The 9/11 Commission will state that Donald Rumsfeld "did not enter the chain of command until the morning's key events were over" even though he first learned of the attacks at 8:47am. Secretary of Defense Donald Rumsfeld will later incorrectly claim that, up to 9/11, terrorism and domestic hijackings were "a law enforcement issue."
3. Around 2:40pm on 9/11, Donald Rumsfeld started planning for the Iraq War. Author James Moore will write, “unless Rumsfeld had an inspired moment while the rest of the nation was in shock, the notes are irrefutable proof that the Bush administration had designs on Iraq and Hussein well before the president raised his hand to take the oath of office.”
