ACD/News Letter Editor's Corner;

It's been a few months since we have had a newsletter or any updates to the web site. We will have some exciting changes coming to chapter Q soon though. To start with, you should see a new look to both the newsletter and the web site in the next couple of months. I will let the CDs tell you about the other changes coming down the road.

I just received the following Email, Bruce is leaving behind some hard to fill shoes!

From the Desk of the Washington District Director:

On January 26th 2007 after more then two years as Washington District Rider Education Officer. Bruce McMahill has retired from District Service.

In his time in office Bruce has made a great difference in Washington as one of the best Educators I have ever known. I feel because of his leadership, Washington has in my mind the best prepared Riders in GWRRA to handle what may come at them. I know in his duty of educator he has saved countless lives by preparing them for the roads ahead.

Becky and I personally wish him well and thank him for the great job he has done for all of us. I speak on behalf of the District Staff when I say we wish him well in his next endeavor as I know he will not just fade away.

P.S.
Please except my apology for the lateness of this notice, as I have been home sick and this was my first chance to send this out. Please pass this to all your members.

Bob & Becky Minor
Washington District Director

For those of you who didn't already know, it was quite icy this last Sunday morning for Chapter F's meeting. When I heard that a Chapter A bike went down close to the Roy Y, I checked with Tim Bowman at "A". This was his reply;

Kenny Urban (Custom '03 Candy Orange with Black Trim) went down on the ice. He's totally fine after sliding on the road surface. His Wing is fine except for the bolt holding the highway peg, which was ground off.

We are glad to hear that Kenny and his bike are both OK.

Ryan Eaton has graciously been doing our web site for us until we could find a replacement, even though he is no longer associated with GWRRA. Thanks Ryan! Bill Starr has agreed to take over this project for us, starting next month. Thank you Bill! I will be assisting him as much as I can. Neither of us has done this before, so have patience please, as we chase out the computer gremlins that always attack the uninitiated.

First Aid CPR

There will be a first-aid/cpr class at chapter D's mall show, Saturday March 10th & 11th. The Saturday class is open there are 12 open places. The Sunday class has 5 openings. The classes start at 8:00am in the South Shore Mall community room.

If you are planning to attend, you need to let Jeff Riggs WA-D Assistant Chapter Director jeffreycharlesriggs@hotmail.com know as soon as possible.

Anyone who is interested in GWRRA Rider Education Level 1-2-3-or 4, we have enrollment information and applications on hand at the chapter gatherings, just ask Chuck Howe.
