**Director's Corner;**

## HAPPY NEW YEAR!

Let me first welcome everyone into the New Year!

Last year, we had some milestones. The April Auction brought in about \$1,300.00 and even though the Elma Rest Stop started out a bit confused, we managed to make enough between the rest stop and auction to donate \$1,100.00 to Good Samaritan Children's Orthopedic in Puyallup. We even made a little profit on the Halloween dance. Wing Ding was held in Montana and some of our members made the ride there with no major injuries!

This year is a year of change. The first change is the fact that Nancy and I have stepped up as Chapter Directors. Let me say now that I have some big shoes to fill but I'm going to try my best. The old staff did a heck of a job and I believe the new staff will do a good job too! Most of the staff will be made up of the same people, just in different positions. The next change that you will see is our new meeting place. We will now be meeting at the Hangar Inn at Thun Field. I believe this will be a good change as the food is good and the facility is separate and quiet.

I hope to bring about some new ideas and get people interested in improving the chapter.

Again, I wish to thank the outgoing staff for all they did last year and hope that the new staff will also serve you well.

Chuck and Nancy Caldara  
WA-Q CD

### **Assistant Director's Spot;**

Hello Folks, at this time Jenny and I will be there for any assistance or support Chuck and Nancy will need in their transition to Chapter Directors.

I feel confident in their leadership potential, and have no doubt about their ability to "GET ER DONE"

See yas up and in the wind.....

**Rider Education;** No rider ed article this month.

### **Alternate routes to the Hangar Inn;**

As many of you already know, Meridian can resemble a parking lot on Friday evenings around the time of our meetings. After driving around and checking out some possible alternates, it looks to me that Canyon Road might work as an alternative to Meridian. There is construction on Canyon, but it impacts mostly the northbound lanes right now. You can take Canyon Road south to 176<sup>th</sup> St, then turn left, go to Meridian, and left again on Meridian for 2 tenth of a mile to 168<sup>th</sup>, and right on 168<sup>th</sup> into the airport.

If you don't mind taking residential streets with 25 mph speed limits, you could turn left off Canyon at 160<sup>th</sup> instead of going all the way to 176<sup>th</sup>, go to Gem Heights road, turn right and go to 168<sup>th</sup> St. Turn left on 168<sup>th</sup> and go directly to the airport. Unfortunately neither Mapquest nor Garmin have been updated to show that 168<sup>th</sup> goes through yet, so they can't route you that way.

Ron Hall

### **Web Site Technician's notes;**

**HELP! Volunteer (or Two Even) Needed!** I have a collection of chapter photos that I never seem to have time to get edited and posted to the web site. Is there anyone who can fill in as photo historian or shutterbug for the chapter? I can give you access to the site and show you how to use the editing program, what I need is someone who can go through the photos, then edit them and post them to the page. Someone who likes to take pictures and can snap some at our events would be a great help too. So maybe even two volunteers, one to take pictures, and one to post them, would work if there isn't anyone who wants to tackle both functions. Are there any offers out there?

Ron H

Anyone who is interested in GWRRA Rider Education Level 1-2-3-or 4, we have enrollment information and applications on hand at the chapter gatherings, just ask Chuck Caldara.

## The Goldwing Galley recipe of the month:

Hey Folks, I'm running out of recipes here! If any of you have some good recipes you would like to share, please help me out by sending me one or two.

### Grilled Pizza

#### Ingredients:

- Pizza dough – stretched and shaped into a roundish shape
- Pizza sauce
- Cheese
- Toppings of your choice

#### Directions:

1. Pre-heat the grill, then clean it well. Oil the grill with olive oil.
2. If using a gas grill, once it's hot, turn the flame down to low. With a charcoal grill, spread the charcoal out thinly to cool things down.
3. Lightly oil the top side of the dough.
4. Place dough, oiled side down, on grill. Cover. Cook until top of dough is raised and puffed and bottom is just crisp, about 3 minutes
5. Lightly oil the dough so it doesn't stick when it is flipped over.
6. Using tongs, flip the dough over so the crisped side is up.
7. Quickly add pizza sauce, cheese (not too much or it won't melt) and toppings.
8. Cover.
9. Grill until cheese is melted and dough is browned and cooked through, about 3 minutes. Check the underside often to see that it is not burning.
10. Remove and serve.

#### Delicious topping combinations:

- Fresh mozzarella, basil, sun-dried tomato and fresh tomato
- Roasted Veggies – eggplant, artichoke hearts, fennel, bell peppers, portabella mushrooms, red onions
- Pesto, portabella mushrooms, pine nuts and fontina
- Prosciutto, goat cheese, plum, and arugula
