

# RC DUSTER'S TAILSPIN

Volume 2, Issue 1

January 2005

## From the Offices of the R/C DUSTERS

December  
Larry

My family would like to thank everyone that expressed their sympathies and prayers on my father's passing. It was truly touching to see all of the friendships that he made with all of you.

We are smack in the middle of winter and going thru nitro withdrawals. I cranked up a heli yesterday in the freezing weather and hovered it, if only for a few minutes of pleasure. We can get some relief soon, it'll be swap shop season and we can commiserate as a group. Push on with your simulator training, it can do no harm and will keep the reflexes sharp.

***To those that are our new officers and to those who are returning, congratulations and thank you for keeping the club moving forward.***

See you Jan 12th at the **PARK DISTRICT OFFICE** for our meeting. Bring your show and tells.

## No December Meeting Notes

Jim Brubaker

This will be a reprint of the November minutes to refresh your memories as to what is going on.

### OLD BUSINESS

The slate for officers was worked on and completed.

Pres.	- Fred	V.P.	- Lee
Field Marshall	- Marty	Sect'y	- Chuck
Treas.	- Bill B.		

The elections will be at the January meeting. There was a reminder to members (again) to send Larry their info on their flying history. We would really like to see them in the newsletter.

### NEW BUSINESS

Check out our website, if you have something to sell contact Larry. He will put it in the "swap" section of the newsletter.

Lee did some researching on prices for an overnight package at Pheasant Run. This would be a great gift for our landlord and his family. The price would be around \$175.00. Our landlord enjoys seeing us flying and he has been very good to us. We can't afford not to take care of him. Jim made a motion to set aside \$200.00 for a gift certificate to Pheasant Run for the landlord. It was seconded and approved. Lee will pick up some brochures to give with the gift certificate and a gift card for everyone to sign.

Chuck suggested giving an engine to the winner of our yearly drawing. Lee suggested spending \$150 for all of the raffle gifts. Fred will take care of getting them. ***"THE WINNER HAS TO BE IN ATTENDANCE FOR THE DRAWING ON JAN 12TH"***

***Just a reminder, your 2005 dues are coming due.***

Respectively submitted, Jim

TIMES & FEES ? ? ? ? ?

**See your Model Aviation for more Details**

## *TailSpin of the Month*

***Bill Stevens***

Feb 1932 – Dec 2004

A picture is worth a thousand words, never has it been more true. The same picture could've been taken 30 years ago with his arm around me, or my brother, in place of my son. I was lucky enough to have been able to return the favor to him in the R/C world.

Some things never change. Some do whether we want them to or not.

God's speed Dad and Thanks for the Everything.

Editor's Note: Please send your flying history in to be printed. You surely don't want to read about me every month. If you would like to share some modeling memories with the club, please either write them up and mail them to 401 Cleveland Ave, Rochelle, IL 61068 or email me at [heli\\_fool@comcast.net](mailto:heli_fool@comcast.net) Attach a digital picture and I will include it with the column. Thank you.
