

RC DUSTER'S TAILSPIN

Volume 2, Issue 5

May 2005

From the Offices of the R/C DUSTERS

April/May

What a great turnout we had for the April Club meeting. Almost ¾ of the club members were in attendance. Dave E. brought in a beautiful Cub to display and John brought in the new Great Planes G3 to demonstrate on his computer. I know we are all chomping at the bit to get out and fly, but April, like in the past years, just won't cooperate. Now that the days are longer and the temperatures are starting to moderate, I hope to see everyone at the field more often. The field is in great condition for this time of year thanks to Marty who has cut and rolled it in between the raindrops. He is also planning to spray the weeds soon. There is no reason not to get your plane off the ground. Hope to see you there soon.

The treasury report was good for this time of year but we will soon be hit with the field maintenance costs. Please turn in your dues and bring a friend to join. The more members we have, the more improvements we can make to our field. If you have forgotten to pay your dues, send them to Bill Brubaker (Treasurer).

The June meeting will be held at the field. This is just a reminder to bring a few planes and an empty stomach. I am looking forward to the month of May, better weather and more flying time.

Thanks for all of your support and here's to a successful year of flying.

If you know anyone interested in learning to fly or that has questions about our club, have them call me at (815) 434-9400.

As you were, Fred

See you May 11th at the **PARK DISTRICT OFFICE** for our meeting. Bring your show and tells.

Minutes from April 13th

The meeting of the RC Dusters was called to order at 7:05 p.m. with 15 members present.

Old Business: Club Charter and insurance received back from AMA and copies given to Mike Bennett (his building has been vandalized so keep an eye out for suspicious activity there). Lee submitted a plan to update the entrance with 16 ft. of fence on each side of driveway. Doug is to supply the cross bars and Steve is getting the posts. There will be a work party on Saturday, April 30th at 10 a.m. Fred will call "Julie" to check for buried cables.

Fun Fly is scheduled for June 11, 2005. Other clubs invited are Malta, IVRC and Deer Creek. Jim needs the number of guests so he can order food. Landing fee with food is \$5.00. There will be a tailgate swap meet - free. There also will be a contest to keep Jelly Beans in a cup during loops and rolls.

There was no new business.

Treasurer report: The report was read and accepted. Bill passed out new rosters to be checked for errors.

Show and Tell: Dave brought a gas powered 1/4 scale J3 Cub that was a work of art.

The meeting adjourned at 7:50 p.m.

Respectfully submitted,
Chuck Brieschke

Dues are now past due, \$30, send to:
Bill Brubaker, 1776 Doris Road, Sandwich, IL 60548.

WORK PARTY:

Thanks to the following people, Gerry, Marty & Marty Jr., Chuck, Dale, Steve and Fred. Also Lee "task master" Ernest for putting it all together. Special thanks to Doug for the fence rails and Steve for the posts. Also thanks go to Cecile Ernest for the coffee and cupcakes.

We started about 9:45 a.m. and by 11:00 a.m. we were done. Most of us had brought planes but it was windy and cold, we didn't fly.

We moved the gate back 6 ft. and put 16 ft. of fence on each side of the driveway. It looks a lot better and all the guys did a great job.

Lee Ernest

Thank you, guys!
