Directions:

From I-84 in Connecticut

Take Exit 39 (if coming from I-84 West, Exit 39 is after 39A). Turn right at the first traffic light onto Route 4 East - Farmington Avenue. At the third traffic light, turn right to enter the Health Center campus.

After going in the main entrance, take the escalator down one floor. Off the escalator, go left and the Keller Auditorium is straight across.

Updates & Evidence in Pediatric Open Heart Surgery

**Saturday
January 13th, 2007**

*Keller Auditorium
University of Connecticut
Health Center
Farmington, CT 06030*

Objective:

The objective of this one day symposium is to review and discuss the current practice of pediatric open heart surgery, management of CPB {practices versus evidence} and present an overview of adult congenital surgery. A goal will be to establish practice enhancement for both adult and pediatric CPB management by active interchange of ideas and practices among colleagues.
