Advances in Management of
Cardiac and Vascular Diseases

Friday, March 14, 2008

8:30 am - 2:30 pm

Target Audience: primary care physicians, cardiologists, cardiovascular and vascular surgeons, internists, mid-level providers and nurses with an interest in cardiovascular disease.

Course Objectives

- Understand the reperfusion options for patients with acute myocardial infarction
- Discuss new options in the management of peripheral vascular disease
- Review recent advances in the management of atrial fibrillation
- Describe indications for medical and surgical therapy of congestive heart failure and coronary artery disease
- Review the diagnosis and treatment of metabolic syndrome

Continuing Medical Education

Danbury Hospital has designated this educational activity for a maximum of **3.5 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Registered nurses will receive 3.5 contact hours for attendance at the entire program. Danbury Hospital is an Approved Provider of Continuing Nursing Education by the *Connecticut Nurses' Association*, an Accredited Approver by the *American Nurses Credentialing Center Commission on Accreditation*.

Facility: John C. Creasy Center for Health Education Auditorium at Danbury Hospital, 24 Hospital Avenue, Danbury CT, 06810

Registration: This seminar is free thanks to the generosity of our sponsors. Pre-registration is required by March 10, 2008.
Call: (866) 374-0007.

Day of Event: Registration begins at 8:30 am. You may contact Polly Sorrentino at 203-739-6037 the day of the event should you have an emergency or change in schedule.

Parking: Park free in the **Blue Visitors' Lot** on Hospital Avenue. Enter through the John C. Creasy Center for Health Education Auditorium.
