Welcome to the Sunset IMC Web site, created to serve the school's students by providing links to help with homework, use the IMC's resources ... and have fun!

The IMC (or library) provides a variety of resources that support the middle school curriculum and student recreational interests. Let the [IMC staff](#) know if you have ideas for new books, magazines, or other resources.

We want to make this Web site useful to you. Feel free to [make suggestions](#) for adding new links or topics, or for otherwise improving the site.

Note: This site is available for a new Web Mom or Web Dad volunteer. If you'd like to help keep this site going, contact Mary Headley, 303-652-1752.
