We would like to thank everyone for their continued warm wishes, prayers and support. So many people have come together and supported Patty's memory through emails, letters, prayers, and tonight. We really don't know how to thank everyone, but to just say "thank you from the bottom of our hearts." In closing, no one here is a stranger; only friends we haven't met yet. Before leaving, please help yourself to one of our Thank You cards located in the main lobby.
