

Welcome!

On behalf of The Katherine Thomas School Parent's Association, we welcome you to the 3rd Annual Parent Soirée. The Parent's Association created this event to provide a social setting where KTS parents and staff could mingle, enjoy some good times, and get to know each other better. We hope that you will help us meet this goal tonight!

Our secondary goal is to help our children, but this second goal really supports the first. Nothing builds community like working towards a shared purpose. Tonight, as our shared purpose, all of us will help raise money to enhance educational tools for our students!

This event would not have been possible without the generosity of you and many others. We have received more than 180 donations from over 130 individuals and businesses. The entire KTS community has worked together to make this year's Parent's Soirée a success. It has been an honor and a pleasure working with all of you.

Again, thank you for coming. Now please relax, mingle, bid, and enjoy the evening!

Sincerely,

Shelly Bogasky
2007 Parent's Soirée Chairperson

Silent Auction Rules

1. All SALES ARE FINAL. Everything is sold "as is." Please read restrictions, expirations, and limitations carefully.
2. The buyer waives any claim for liability against either TLC or KTS or the donor of the merchandise/service. Neither TLC nor KTS nor the donor is responsible for any personal injuries or damages to property that results from the use of the merchandise/services.
3. Unless otherwise specified, all items and services must be used by November 1, 2008. Unless specified, dates and times are to be arranged at the mutual convenience of the donor and buyer. It is the responsibility of the buyer to contact the donor in these instances.
4. When an item is not on display, the buyer receives a bearer's letter and /or contact for the item.
5. If you are unable to stay until the Auction Closes, please make arrangements before you leave with our Treasurer, Ginny McDonald, to pay for and pickup the items you won. If you do not make arrangements with Ginny McDonald before you leave your items will be given to the next highest bidder.
6. The value of each item is suggested by the donor. As such, the values listed are not guaranteed for tax purposes or fair market value.
7. Items may be withdrawn, at the discretion of the Auction Chair, if the bidding does not approximate fair market value.

How to Bid

1. Bidding begins at 7:00 pm. Bid sheets are attached, or displayed near each item. All sheets list the item number, a brief description, and the stated donor value, if provided. Each sheet is preprinted with the minimum bid for the item and the minimum raise.
2. To bid, write your name and phone number on the line that corresponds to the amount you wish to bid.
3. Bidding ends at the time shown in the program. At that time, a member of the auction committee circles the winning bid on each sheet after the table is closed. Once circled, no further bids will be accepted. In the event there is a dispute, the

Auction Chairs shall act as the final authority and shall determine the winning bid.

Check-Out

1. Checkout Opens at 9:45.
2. At check-out, you will be given a list of your winning bid items along with a total purchase price. Please review this list carefully and take this sheet to the cashier table.
3. Payment may be made by cash, check (payable to the Katherine Thomas School Parents Association), or Visa/MasterCard. All contributions are tax deductible to the extent allowed by law.

Landscape Painting by Charles 'Bud' Gibbons

Bud Gibbons' staggeringly beautiful paintings of endless skies, orderly fields, mountain vistas and tranquil lakes have won him a lengthy list of awards and honors. These and his equally regarded figurative paintings are represented in collections across the United States and around the globe including England, China and Peru. Gibbons' technical prowess is confirmed at first glance by his paintings. Gibbons has spent his life exploring the relationship between landforms and culture in places like Alaska, China, Peru and Tibet. His largest and best works are sometimes priced at over \$10,000.

It is his belief that the natural environment has a great deal of influence on personal identity and society as a whole. His paintings contain a great sensitivity to light, color and texture; as if the artist captured a moment in time to share with us all. Bud Gibbons lives in the western foothills of the Allegheny Mountains in Pennsylvania.

Mercurey "Vielle Vignes" Francois Raquillet Wine

Francois Raquillet is a thirtyish vigneron who has embraced a back to the vineyard philosophy. His father had left him some plots of fine Pinot Noir with older vines. By keeping yields low and minimally handling the ripe fruit, Francois has deftly captured the essence of fine Burgundy -- gorgeous fruit mingled with oaky spice and a lingering earthiness.

This wine definitely merits its name as the vines from this climat are now 63 years old. The naturally low yield of these 'Vieilles Vignes' (old vines) produce structured and full-bodied wines. The intense aromas of red berries are melded with a touch of black currant that becomes predominant in the long finish. This wine reaches its apogee after 4 or 5 years, but can be drunk within 2 or 3 years. If the wine is drunk young, a long period of airing, after decanting, is recommended, 1 to 2 hours, to allow the fruit to come out.

The Shiraz has been selected from Scott and Cheryl Longbottoms' vineyard in Padthaway and Darren and Belinda Joppich's vineyard in Langhorne Creek, both of which are producing grapes which exude incredible flavor and complexity.
