Dear Mr. Burkell:

My name is Jayme Smith and I am in the process of completing my teaching internship at California University of Pennsylvania. Currently, I am working as a fifth grade teacher at the West Newton Elementary School, Yough School District in Westmoreland County. Our class is working on a project where they are to explore the State of Pennsylvania by researching a county.

I was hoping you could help make the students' learning experience a memorable one. If at all possible, could you please donate 50 empty medium pizza boxes? The students will use these boxes to make a collage that will highlight their county. They are also contacting by letter the Representative in their county and requesting information that can be added to their "County in a Box". These boxes will be displayed in the school for all to enjoy and explore! It is very important that parents and students know that the community support and acknowledges the efforts and hard work that goes into making education successful.

Your donation will be deeply appreciated by the students, teachers, the school and me. Please contact myself, Mrs. Carpenter, who is my cooperating teacher, or Mrs. Harrison who has volunteered to help with this project. I can be reached at (724) 872-0000, Mrs. Carpenter at (724) 872-0000, or Mrs. Harrison at (724) 872-0000.

Again, thank you for your time and consideration.

Sincerely,

Mrs. Jayme Smith  
Elementary Student Teacher, West Newton Elementary School
