

How it works: NMA Poker Run Series

Founded in 1973 the Northwest Motorcycle Association is a non profit, all volunteer organization, dedicated to the preservation of off-road motorcycling in Washington State.

The NMA Poker Run Series is not a competition series of events. Poker Run events are ride at your own pace, family fun events, which are open to any person who wishes to participate in motorized off-road vehicle activities. The Poker Run Series was developed as a way to reward and give thanks to our members for joining and supporting the NMA, and the NMA charter motorcycle clubs.

HOW IT WORKS: NMA POKER RUN SERIES (PRP)

1. JOIN THE NMA: Join at an NMA (PRP) event, or sign up online at www.nmaoffroad.org
2. RIDE AS MANY (PRP) EVENTS AS POSSIBLE
3. **MUST BE PRESENT** AT END OF SEASON AWARDS PRESENTATION AND RAFFLE DRAWING TO WIN.

When you arrive at an NMA (PRP) event, find the NMA easy-up and sign the NMA event “sign up sheet”. This will assure your raffle entry for that event. Raffle entries are compounded. The more (PRP) events you ride, the more entries you get:
1st (PRP)= 1 entry, 2nd (PRP)= 2 more entries, 3rd (PRP)= 3 more entries. After 3 (PRP) events you have 6 raffle entries. Ride 10 (PRP) events and you get 55 entries in the end of season raffle.

NMA RAFFLE GRAND PRIZE: **A NEW MOTORCYCLE.**

ACCUMULATING POKER RUN SEASON POINTS

If you get a trophy from a winning poker hand at a (PRP) event GO IMMEDIATELY to the NMA representative and get your name on the NMA (PRP) Trophy sheet for that event. The top 20 NMA MEMBER trophy winners are scored at each (PRP) event.

1st = 20 points 2nd = 19 points 3rd = 18 points etc.....

At the end of the season the points for each person are added up. The top 15 in the points standing receive a personalized season award displaying their name and placing, and a Limited Edition Poker Run Series hat.
