

## **Suzuki Supercross Riders Join the NMA**

With the Seattle round of the Amp'd Mobile/AMA Supercross coming to town, the Northwest Motorcycle Association couldn't pass up the opportunity to host a Team Suzuki Supercross open house & NMA sign-up event. The location for this event was Aurora Suzuki in Seattle WA. It was a great opportunity to get up close and personal with the Suzuki Supercross riders. After talking with the Supercross riders about issues affecting motorized off road recreation in Washington state and explaining how the NMA works to keep motorized off road recreation open for all to enjoy, the Suzuki crew decided to join the NMA. The NMA welcomes new members Factory Suzuki rider Ivan Tedesco, and Rock Star/Suzuki Riders Michael Byrne and Troy Adams. If these guys will join the effort to keep motorized off road recreation open in Washington state, what's keeping everyone else from getting on board? Tell your friends to join the NMA and join the effort to keep off road Washington going strong.

*L-R: Ivan Tedesco, NMA rep John Castaneda, Michael Byrne, Troy Adams..*
