

Suggested Client Contribution:

If Your Monthly Income Is Less Than:	Your Suggested Contribution Is:
Single Couple	(per hour)
\$810 \$1,093	\$6.00
1,011 1,366	7.00
1,215 1,638	8.00
1,619 2,185	9.00
1,947 2,704	10.00
2,335 3,245	11.00

If your monthly income is over these guidelines, we would like you to consider contributing \$17 an hour, or even more, to help fund The Service.

How does The Chore Service work?

People who want to use The Chore Service may get in touch with their local Municipal Agent, Social Service person, or Visiting Nurse, or may contact the coordinator, Ella Clark, at (860) 364-1003.

The coordinator will make a home or telephone visit to discuss the family's needs and financial situation, and to explain how the program might work for them. The coordinator then contacts an appropriate choreworker who will contact the client and set up an appointment.

After the job is done, the client sends a time sheet (indicating date, hours and mileage) to the Sharon office, along with a contribution, if possible. (Workers are paid directly by The Chore Service at a standard rate, regardless of the amount of the contribution made by the client.) Upon receipt of the time sheet, the coordinator authorizes The Service to pay the choreworker.

Let us know about people you think might benefit from this program.
