St. Paul's Church & Schools Mission Statement:

Faithfully proclaim God's saving grace so that those who hear will grow in their relationship to Jesus Christ.

from the Principal:

PARDON THE INTERRUPTIONS

As you may have noticed on the school calendar, Monday and Tuesday of next week (October 26 and 27) there is no school. The teachers will be attending the Indiana District Teachers Conference in Indianapolis. School will resume on Wednesday with our regular Chapel service.

While we are gone a certified Abatement contractor will be removing the few ceiling tiles that we have that contain asbestos. It is reported that the whole process of removal and air testing might take all week. There is no danger to the children or to the teachers, as that portion of the school will be completely sealed off from the rest of the teaching area. This is being done now to prepare the original school building for an updated heating and air conditioning system.

In Christ,

James R. Russell
