#### Instructions

1. Fill out the return shipping information. Include your phone number and e-mail address.
2. Enter the description of each coin you are submitting, one coin per line. You may list the variety if you know it, although this is not necessary. It will be verified or corrected. You must declare the value of each coin.
3. Total the value of the coins in the space marked TOTAL DECLARED VALUE.
4. Place each coin in a 2"x2" or 2½"x2½" flip. Mark each flip with the number of the line on the form on which the coin is described. Do **not** use staples on the flips.
5. Calculate the return shipping based on the number of coins and the total declared value. Please note that there is a \$2.50 handling fee for submissions containing five coins or fewer.
6. Make a check payable to VARIETY SLABBING SERVICE. This payment must accompany your order.
7. Sign and date the form.
8. Package your coins safely and send by Insured or Registered Insured mail to the address on the front of the form.

#### Terms of Service

1. While all efforts will be made to return coins promptly, Variety Slabbing Service (VSS) will have no liability for damages for failure to attribute a coin within a certain time frame.
2. Customer agrees (a) to pay all fees when they are due, (b) that any delinquent balances will accrue interest at 10% per year, and (c) that VSS may use coins submitted to secure payment of fees.
3. VSS shall have no liability whatsoever to the customer for any damage to a coin that occurred (a) while not in the custody of VSS, or (b) if staples or other sharp objects were used in packaging coins sent to VSS.
4. Customer agrees to inspect coins promptly upon return and notify VSS immediately of any errors in describing the coin.
5. VSS disclaims all other warranties not explicitly stated herein regarding VSS goods and services, including warranties of merchantability or fitness for a particular purpose.
6. If the variety of the coin cannot be conclusively determined, the coin will be returned unholdered and a credit will be issued for the slabbing fee.
