## Recipe

- Step 1 Fold 8 x 9 Close to Cocoa CS in half to make a 4 x 9 card using the bone folder to make a crease if necessary. As an alternative you can score the CS at 4".
- Step 2 On one piece of the 3 ¾ x 8 ¾ Pretty in Pink CS, stamp "lines" using Close to Cocoa ink on half of the CS long ways.
- Step 3 On the other side of the same CS, stamp "hearts" and "flower" as desired using Close to Cocoa, Pretty in Pink, and Regal Rose ink. **NOTE:** I stamped the Regal Rose ink off once on the grid paper.
- Step 4 Stamp "large heart" using Regal Rose ink on ¾ x 8 ¾ Pretty in Pink CS. Layer this to the ½ x 8 ¾ Close to Cocoa CS. Then layer to stamped 3 ¾ x 8 ¾ Pretty in Pink CS separating the two types of stamping.
- Step 5 Stamp "LOVE" using Close to Cocoa ink on 2 x 3 Whisper White CS. Then stamp "large heart" using Regal Rose ink inside the heart.
- Step 6 Trim the 2 x 3 Whisper White CS using scissors or the paper cutter so that it has some white around it.
- Step 7 Layer this piece on the 1 ¾ x 2 ¾ Pretty in Pink CS. Layer this to the 3 ¾ x 8 ¾ CS as desired.
- Step 8 Tie the white ribbon around the 3 ¾ x 8 ¾ CS as desired.
- Step 9 Attach all of this to front of card.
- Step 10 Stamp or write message as desired on the second piece of 3 ¾ x 8 ¾ Pretty in Pink CS. Layer to inside of card.

\*\*\*\***NOTE:** All layering should be done with "Snail Adhesive" unless otherwise specified.
