Recipe:

- Step 1 Using Jet Black StazOn stamp "dress" on Whisper White CS. Let Dry!
- Step 2 Using Basic Black Classic Stampin' Ink stamp "dress" on two post its. Cut these out; you don't have to cut out the hanger. *** When you stamp these stamp at the top of the post it so the sticky part will be in your cut out.
- Step 3 Stick cut out post its to Whisper White CS covering up dress.
- Step 4 Using Real Red Classic Stampin' Ink stamp "French script" off once to scrap paper and then on Whisper White CS.
- Step 5 Rub Real Red Classic ink on Whisper White (around the dress, NOT on it) with a sponge. *** I dabbed off a lot of the Real Red ink to scrap paper before rubbing it onto the CS.
- Step 6 Pull off post it cut outs.
- Step 7 Color in dress with Crystal Effects. *** Make sure you have a moderately thin layer of Crystal Effects. If you put too much on it will take a long time to dry.
- Step 8 Cover Crystal Effects with Stampin' Glitter – Dazzling Diamonds. Let Dry, at least 30 minutes, best 60 minutes.
- Step 9 Using Real Red Classic Stampin' Ink stamp "print pattern" on right side of Real Red CS.
- Step 10 Using Real Red Classic Stampin' Ink stamp "French Script" on left side of Real Red CS.
- Step 11 Lay (DO NOT use adhesive yet) 2 ¾ x 4 ¾ Basic Black CS on Real Red CS where you want it to go. Using Basic Black Classic Stampin' Ink stamp "Celebrate" on Real Red CS.
- Step 12 Tie ribbon around bottom of Real Red CS.
- Step 13 Fold 5 ½ x 8 ½ Basic Black CS in half using bone folder to make a crease.
- Step 14 Layer Real Red CS to card front using snail adhesive.
- Step 15 Layer 2 ¾ x 4 ¾ Basic Black CS to front of card.
- Step 16 WHEN "Dress" is dry, layer Whisper White CS to 2 ¾ x 4 ¾ Basic Black CS on card front.

NOTE: If you would like to have the white halo around the dress you need to apply the Crystal Effects and Glitter before stamping "French Script" onto the Whisper White CS.
