Recipe – Please read all directions before starting your project. Many notes are provided to help you!

Step #	Description
1	Fold 5 ½ x 8 ½ Real Red CS in half using bone folder to make a crease if necessary.
2	Stamp “Christmas Sidekick” saying using Basic Black ink on 2 x 3 ¾ Very Vanilla CS. Color tree as desired using markers. Layer to the 2 ⅛ x 3 ⅞ Real Red CS with snail adhesive.
3	Stamp “Happy Holidays” on Very Vanilla Scraps in Old Olive ink. Then stamp a Certainly Celery circle off once on the grid paper and then on top of the “Happy Holidays”. Punch out with the 1 ¼” Circle Punch.
4	Punch a 1 ⅜” Circle out of Real Red scraps. Layer the “Happy Holidays” circle to the Real Red circle.
5	Layer the DS Paper as desired on the 4 x 5 ¼ Old Olive CS using snail adhesive. SUGGESTION: Use snail adhesive on all four sides of the DS Paper only. No need to put adhesive in the center of this paper.
6	Tie the Real Red ribbon around the DS Paper and trim off excess.
7	Layer the “Christmas Sidekick” to the Old Olive layer with snail adhesive.
8	Layer the “Happy Holidays” to the Old Olive layer as desired.
9	Layer the Old Olive layer to the card front.
10	Optionally, stamp or write a message on the inside of the card.

*** Any item without a number can no longer be purchased through Stampin’ Up!.

*** NOTE – Snail Adhesive can be replaced by your favorite adhesive such as glue dots, glue lines, etc.
